

Datasheet

Part No.:	106455
Description	Desktop mount, PE-HD electrostatic conductive, upper thread GL45 (m), lower thread GL25 (m), for desktop borehole of 35mm with counter nut
Measurements (WxDxH)	54 x 110 x 54 mm
Diameter:	54,0 mm
Weight:	0,076 kg
Colour	black
Material:	PE-HD
Filling material:	conductive carbon
Chemical resistance:	good
Surface resistance:	10 ⁴ - 10 ⁶ Ohm
Operating temperature:	60° C
Closure type:	GL 45

Compliance / approvals		
Document No.:	Date	Inspection authority:

UN approval:

Other approvals / marks:
<ul style="list-style-type: none"> • connection GL45 (m) to GL25 (m) • seal with silicone • rotation lock: our recommendation for the boreholes, diameter 4-5 mm diamond coring bit
