

# Datasheet

<b>Part No.:</b>	<b>108042-S1</b>
<b>Description</b>	Canister 10 liter, S60/61, PE-HD electrostatic conductive, with integrated screwable sleeve for rod sensor, Screwable sleeve (easier cleaning) for sensor 108178, Sensor housing made of PE-HD electrostatic conductive and PE natural, Detection area of sensor housing made of PE natural (not electrostatic conductive) incl. screwcap made of PE Note: Canisters are marked with production date (month / year) and will normally be delivered by us within 6 months from the production date.
<b>Measurements (WxDxH)</b>	195 x 290 x 265 mm
<b>Weight:</b>	0,640 kg
<b>Colour</b>	black
<b>Material:</b>	PEHD-EL, PEHD
<b>Sealing material:</b>	PEHD-EL
<b>Chemical resistance:</b>	good
<b>Surface resistance:</b>	$\leq 10^6$ Ohm
<b>Operating temperature:</b>	< 80° C
<b>Closure type:</b>	screw cap
<b>Thread size:</b>	S 60
<b>Overflow volume:</b>	10,9 l

Compliance / approvals		
<b>Document No.:</b>	<b>Date</b>	<b>Inspection authority:</b>

<b>UN approval:</b>
